

## APRIL 4 MSC ENRICHMENT TOUR TO SAN DIEGO

Forty-eight MSC members and three PSAM staff enjoyed a day-long bus tour to San Diego, organized by Chuck Steinman, Programs and Tours Coordinator. His photos share the adventure. The first stop was Balboa Park and the San Diego Museum of Art, which featured a special docent tour of American Art, German Expressionism, and 20<sup>th</sup> Century Art. Participants could then choose to visit the museum's new Richard Deacon sculpture exhibition, plus other exhibitions at the nearby Timken Museum, Mingei Museum of Folk Art, Museum of Photographic Art, or Botanical Building and Gardens. An excellent catered lunch followed at The Prado Restaurant.
