“The Annenberg Theater is a dynamic part of Palm Springs Art Museum’s programs. It’s exciting, vibrant, and alive! Please join me and Yvonne in supporting this campaign. Together, we can ensure that the spotlight never dims on this exceptional venue.”

“Annberg Theater has been home for Palm Springs Art Museum’s performing arts for nearly 40 years, and its programs have provided our desert communities with a rich and culturally diverse array of music, theater, dance, cabaret, films, lectures and special events. We’re grateful to the Annenberg Theater Council for raising funds that keep this facility on the cutting edge.”

“Between us we have performed on the Annenberg stage many, many times and both agree it is one of our favorite theaters. Big enough to make producers money, intimate enough to make audiences care. Benefiting from its location inside the majestic museum with its own bistro and a sculpture garden at its stage door, the architecturally perfect Annenberg Theater does not have a bad seat in it and, from box office to backstage, makes you feel this is a sacred space—a gem in our community. We are proud to support keeping it that way.”

“This is a real joy for me to be able to support this particular campaign. I was involved in theater in college and I’ve been an enthusiastic fan of the performing arts ever since. I am also a devotee of great architecture, an avid preservationist, and a big believer in the value of cultural institutions for healthy communities. I hope you’ll join me in this exciting effort to update a beloved Palm Springs theatrical gem.”
